

CREATE A MEMORY - BUY A BRICK

We're building a future at Carderock!
Help lay the foundation by purchasing a commemorative brick. Your personalized brick can honor a past, present, or future Carderock Springs star! The engraved bricks will be used to build a border or a pathway in the new school. So, buy a brick for that special student and they'll be remembered for decades to come. The money raised from this Brick Campaign will be used to support the students and faculty at Carderock Springs Elementary School and its new building.

Funds paid for bricks are tax deductible.

Deadline: December 31st, 2009
